_____ IS REQUESTING PERMISSION TO PARTICIPATE
(Name of Student)

IN THE CYO _____ PROGRAM AT _____
(Name of Sport) (Name of Parish/School)

Since it is not our intention to, in any way, interfere with the athletic programs at your school, or circumvent your academic standards for athletic participation, your permission is required for this student to be a member of our team. If your school sponsors this sport for this student's age group and he/she is a participant on your school team, then he/she is not eligible for our program. It is the CYO policy that students may not play on a CYO team and their school team anytime within the same season. In the case of wrestling, this prohibition applies for the entire school year.

Also, this student will be invited to participate in our program if academically eligible by your rules and ours, as well. We trust you will appreciate our desire to make our programs available to as many young people as possible, while not interfering with other existing programs.

I hereby grant permission for the above named student to participate in your CYO program. I have read and understand the above restrictions.
